### A Note from the Principal...

Thank you to all the grandparents and parents who were able to attend our grandparents day and thank you to all the grandparents for playing such an important role in your grandchildren's lives. It was tremendous to see some new faces in our school.

Student attendance plays a vital role in the success of a child's education. I ask parents to please inform the school through phone, e-mail or note when your child is absent. If your child is absent for more than 3 days please phone us to let us know.

Thank you to the parents who attended the P&C meeting last week. I look forward to receiving your feedback and ideas for Cowper Public School. Attached to this newsletter is a feedback sheet. Please take sometime to consider what you think is important for the future of education for your child at Cowper Public School.

## Year 6 Farewell at Brushgrove Hotel

Can you believe it is that time of year already and the year sixers will be of too High School next year? That brings us to the preparations for the year six farewell which is fast approaching. Trent has nominated the night of **Wednesday the 13th of December** as the most suitable night (for him and Karleigh to be able to attend) and said he is happy for the year six students to have time at school to make invitations and, on the day, to go over to Brushgrove Hotel, to decorate the tables and the space.

On that note, if year six parents would like to have their say about what they, or their child would like to see happen, and the most suitable starting time for them, they can either phone (66476791) or email Melissa on mk1andmk2@dodo.com.au and share their ideas so that we can ensure that the night is representative of all the students and their ideas. If suggestions could be made by Friday the 10th of November that will ensure we have plenty of time to plan.

Thank you, Melissa Wearing.
