Friday 21st February

A Note from the Principal...

Notes were sent home this week about Year 6 transition days at South Grafton High School and Maclean High School. All students received both notes and it is recommended that the students attend the transition day for the high school they will be attending in 2020.

Congratulations to all those students that attended the swimming carnival last week and a special mention to those that made it to the next level. Cooper, Reece, Billy and Pearl and to Madi and Chloe for competing in the PP6 Relay with students from Nymboida.

The P&C AGM was held last Tuesday and thank you to all those that attended. The new positions on the P&C are Pam Moloney – President, Tracy Moran – Vice President, Julie Watkins – Vice President, Heidi McLaren – Treasurer and Lacey Sherden – Secretary. A big thank you to last year's P&C for all their work throughout the year.

We are looking for someone who is interested in running the school canteen for a couple of days each Term. If you are keen or know someone that would like to help out please contact the school.

IMPORTANT - Change of Contact Details / Medical Information

Have you moved house? Has your phone number changed? Do we need to update or amend your child's health records? **Last newsletter we Attached is an envelope that has your child's details. Please check this and amend if any changes need to be made. Please return to school even if no changes.**

New Uniforms

Prices as follows:

CPS Blue Polo - \$30

Checked Skort - \$29

CPS Bucket Microfibre Bucket Hats - \$10

The school has a compulsory school uniform and all students are expected to attend school each day in full uniform. **Please clearly label all articles of clothing with your child's name before they are worn for the first time.** Students are required to wear plain white socks and plain black enclosed shoes (black joggers are acceptable) as a part of the school uniform. During cooler weather, students may wear a blue jumper. Uniforms are available for purchase at the School Office.

P & C Canteen Manager

The P & C would like to put out an Expression of Interest to anyone who would like to manage the canteen in 2019.

Kids in the Kitchen with Mrs Armstrong

Steam with Mrs Farrell

Steam challenge: Students were required to conduct a 'rescue mission'. Students investigated a crank mechanism and designed and built a system that would enable them to conduct a 'rescue mission'. The system involved a frame that contained a crank mechanism and a passenger carrier that would allow goods or persons to be winched to safety.
