A Note from the Principal...

Welcome back. I hope everyone had a restful break. I would like to extend a very warm welcome to the new families at our school this year.

2020 is off to a busy start. Already we have had a visit from Ranger Nick, who taught the students about campfire safety and cooked some very tasty damper with them.

Our small school's swimming carnival was on last Friday and I congratulate Stone, Pearl, Selena and Claudiah on their participation at this carnival. As a result of these student's efforts, Cowper Public School was awarded the Clarence Valley Small Schools Handicap trophy. Today Stone, Pearl and Selena are competing at the district carnival.

This week is Seniors Week at Grafton Shopping World and as part of the celebrations our students have their art work displayed in the centre next to Wallace Bishop.

In the coming weeks teachers will be working closely with all the students to develop Individual Learning Plans and some Personal Learning Plans. These plans allow the students to develop specific goals to work towards throughout the year especially in the areas of Literacy and Numeracy. Upon the completion of these plans they will be sent home to be discussed with your child, signed and returned to the school. This year we have include a short feed back sheet for parents to fill in and return also.

Last week we held our P&C AGM and I would like to say a big thank you to those people that came along and nominated for positions on the P&C. I would also like to thank the outgoing P&C for the help and support you have given Cowper PS over the years. The new positions on the P&C are as follows;

President	Mrs Amber Barnier
Vice President	Mrs Tanya Stephenson
Vice President	Mr Peter Barnier
Secretary	Ms Tiarne Martin
Treasurer	Mrs Natashya Earle

In weeks 6 and 7 students will be participating in surf lessons at Woolgoolga Beach. This is part of the Sporting Schools program and will be of no cost to the students. This program involves surfing lessons on foam boards, ocean awareness lessons and sand play. Notes have been sent home and need to be returned ASAP. Please note this is a whole school activity.

MOZZIES!!!! Due to the recent rain there are lots of mosquitoes about. The North Coast Public Health Unit is reminding people to protect themselves by covering up and using repellent. We encourage parents to apply repellent to students before sending them to school.

Kids in the Kitchen

Today Stone, Pearl and Selena are competing at the district carnival.

Aussie Celebrity Camp Oven Bush Cook

In week 2 we welcomed Ranger Nick to Cowper Public School. Students participated in a lesson about campfire safety and prepared, cooked and ate a traditional Australian Damper. Yum!!
