Newsletter Term 2 - Week 6

Monday 1st June 2020

A Note from the Principal...

As we head in to the second half of Term 2, I would like to say how wonderful it is to have all our students back at school. Our sand pit has been topped up with new sand and the playground has a new layer of soft fall in it. The students have been making the most of both areas.

Thank you to the families that borrowed laptops and have returned them. If you still have laptops at home can you return them to school this week.

Our Semester 1 reports will be sent home at the end of this term. These reports will be a modified version of our normal report, in line with advice from the NSW Department of Education.

There are still a number of families that have not returned their signed copies of their child's Individual Learning Plan and the attached feedback sheet. If you have not yet filled in this survey can you please do so ASAP and return it to school.

A few weeks ago we finally had the demountable, which was the old administration block, removed from the school. This has greatly opened up our playground and we hope to eventually turn this area into a sensory garden.

As the days get colder I would like to remind everyone to make sure that all jumpers are labelled with your child's name. If you don't have a school jacket, they are available to buy from the front office for \$30. We also have a few second hand jumpers available to purchase.

S.T.E.A.M

Did you know that triangles are the strongest shape? They are fundamental to the way we build our environments.

In STEAM this term, Cowper students have been exploring the almighty strength of triangles! First they constructed a Geodesic Dome out of toothpicks and lollies. Next they constructed a tower entirely out of paper in the shape of triangles and tested their strength. The students were surprised at how strong some of their designs were!

Thank You

Our school would like to say a **HUGE** thank you to Graham from **BEAMER TREE SERVICES** for his donation of a large pile of mulch for our school garden. Cowper is extremely appreciative of this donation and it is already making a big difference in and around our school. We would also like to thank Mr Wellard for all of his hard work. He has been busy pruning our gardens and moving the mulch to various garden beds around the school. Thank you again for all your help and assistance!!

Let's Look at Lunches

CHEESY GARLIC PITA

Canteen = Everyday

Serves: 12

Ingredients

3 x whole meal pita pockets
4 x large cloves of garlic
1 x cup of grated low fat cheese
4 tbs Olive oil
Dried or diced fresh basil to garnish

Method

Preheat grill or oven to 220 degrees.
Cut pita in half (if pita pocket cut in the pocket in half first).
Finely dice or crush the garlic and mix with the olive oil.
Brush over the pita.
Sprinkle a small handful of cheese over each piece.
Place under grill or in oven for 10 mins or under cheese has started to turn golden brown.
Garnish with small amount of basil (optional) and serve.
*Garlic is optional, feel free leave out or add some Italian herbs instead.
*Pita freezes well, so buy up if it's on special.
