Newsletter Term 2 - Week 8

Thursday 18th June 2020

A Note from the Principal...

YOU CAN DO IT

I am very pleased with the amount of You Can Do It awards that I have given out in the last two weeks. It's great to see students displaying the behaviours of our **6 Keys to Success** – *getting along, persistence, organisation, confidence, participation and resilience*. Well done and keep it up.

CONGRATULATIONS

I would like to congratulate Miss Martin who this week received her certificate of accreditation.

MUFTI MOVIE DAY

Our mufti/tabloids/movie day was a lot of fun and I want to say a big thank you to our staff for organising and running the day.

COVID 19 RESTRICTIONS

As the covid19 restrictions begin to ease from the beginning of Term 3 the following activities can resume:

- ♦ All school sport and activities including competition aligned with current health advice.
- ♦ Inter-school student events and competitions.
- ♦ Scripture and parent volunteers.
- ♦ Incursions/external providers not already permitted involving external adult providers.
- ♦ Professional learning for teachers.

All Term 3 and 4 NSW PSSA events are cancelled and will not be rescheduled.

MINI CROSS COUNTRY

We have decided to hold a mini Cross Country for our students on Thursday 2nd of July.

KIDS IN THE KITCHEN

We are also excited to recommence our Kids in the Kitchen program in Term 3.

CANTEEN

Canteen is available next week courtesy of the Brushy Hotel and order forms were sent home earlier in the week.

Please try to return them by Friday each week.

IMPORTANT (DROP OFF AND PICK UP)

I want to remind all parents and carers that the back carpark is for staff and delivery vehicles only. Please drop your children off at the front of the school. It would be appreciated if, at pick-up time parents meet their children at the front gate to walk them to their car. Parents and carers are welcomed into the school for drop-off and pick-up due to road safety priorities but I remind them to maintain social distancing with all non-family members.

DRINKING WATER

As the bubblers have been turned off following health guidelines, please remember to pack your child's drink bottle each day filled with fresh water (not cordial or soft drink).

MUFTI MOVIE DAY PICS

Living Things

This Term in Science with Miss O'Neill students have been focussing on a unit about Living Things. They have been comparing and contrasting the features of Living and Non-Living Things.

For Art last week, students collected a variety of plants from the school grounds to create a self-portrait and used their collected plants to depict their hairstyles!

Can you guess whose is who?
