Newsletter Term 2 - Week 10

Thursday 2nd July 2020

A Note from the Principal...

This is our last newsletter for Term 2 and what an interesting term it has been. Fortunately next term will see the reintroduction of many more activities and we are all looking forward to that.

Student Banking will commence the first week back (Thursday) and so will Kids in the Kitchen (Thursday). Although representative sport has been cancelled for the year, a number of sporting events are in the plans for the coming two terms.

In week two we will be welcoming our Kindy enrolments for 2021 to start their transition days. If you know of any local children beginning school in 2021 please refer them to the school to pick up an enrolment pack.

Semester One reports will be sent home on Friday 3rd July. These modified reports will reflect student's performance in Literacy and Numeracy throughout Terms One and Two, including the learning from home period. There will be no A-E grades in these reports. If you wish to discuss your child's report with their teacher please call the school to arrange a time.

Thank you to those parents that have followed the return to full-time face-to-face learning guidelines and kept students at home when they are unwell.

I would like to wish everyone a safe and happy holiday and we will see students back at school on Tuesday 21st July.

Note: First day back is canteen

Please return your canteen order form tomorrow.

Maths Games in K/1/2

Students in K/1/2 have been playing a variety of Maths Games to reinforce Mathematical concepts learnt in class. This week K/12 have been focussing on Multiplication and Division and have been practising their doubling skills! Students have enjoyed the hands on approach to their learning.

Is your child starting Kindergarten in 2021?

Cowper Public School will be welcoming new Kindergarten Students in Term 3, to help prepare them for 'big school' in 2021. Kindergarten is an important year of schooling as children begin to develop their literacy and numeracy skills. Please contact the school for an enrolment pack and information on how to prepare for the 2021 school year.

A Walk Down Memory Lane

As part of a History unit about the Past and the Present, students have explored how things have changed over time. This week the students explored games of the past and played a variety of games that most have never heard of or long forgotten including "fly", "What's the time Mr Wolf?" and "Musical Statues". What fun!
